PRAYER

Prayer is a spiritual discipline that many people wish to develop and strengthen. Lots of us struggle to devote a specific time of day to do so and wind up speaking with God at random points throughout the day. Regardless of how and when we pray, we can discover the countless things prayer can do for us.

1. Prayer establishes a bond with God.
2. Prayer voices our need for God.
3. Prayer offers strength in difficult times.
4. Prayer empowers us to face tomorrow with hope.
5. Prayer connects us to others.

Six ethics of life

Before you Pray - Believe

Before you speak - Listen

Before you spend - Earn

Before you write - Think

Before you Quit - Try

Before you Die - Live
